Report of Trustees of Public Library.

We wish first to thank the members of Eclipse grange for the money donated. This has not been expended, as lack of time has barred us from making as yet an appropriate choice in the matter.

We have long needed some improvements in and about the library room, and decided that it was fitting to make them this year. Therefore we have withdrawn a part of the accumulated fund placed in our keeping by Mr. Lovering's wishes for "Library Purposes," and have used it in making the room more convenient for the Librarian and patrons; also added some necessary shelf room.

We also inaugurated a system of purchasing new books monthly, thus keeping practically a constant supply of the latest books at hand, but owing to the sudden critical illness of the Treasurer of the Board the last instalment was not received in season to be catalogued for this report.

Report of School Board.

To the Citizens of Newton:

We hereby submit the annual report of our schools for the year ending February 15, 1911.

We found the text-books in all the schools in a deplorable condition. We regret that it was necessary to use such economy in the matter of appropriations.

We have had a new floor laid at Rowe's corner school. The blackboards at this school and at the Junction are in poor condition.

The Grammar school has been in charge of Miss Beth Boswell during the spring and fall terms. She resigned the first month of the winter term. We experienced some trouble in getting a good teacher, but finally succeeded in getting Mrs. C. E. Wood, of Haverhill.

The Village Primary school is in charge of Miss Margaret Ingalls, with the same good results as last year.

Rowe's Corner school was in charge of Hattie L. Parker during the spring term. The fall and winter term has been in charge of Miss Margaret Abbot. We are very much pleased with her work. Although this is her first attempt at teaching, she has been very successful.

The Junction school was taught by Miss Josie B. Caler. She is one of our best teachers. She has done much for this school, and has won the support and respect of the parents, and the love of the children.

Respectfully submitted,

CHARLES A. KIMBALL,
MABEL A. BARTLETT,
CATHERINE A. NICHOLS,

School Board.
